

POLLUTION LIABILITY INSURANCE AGENCY
HEATING OIL INSURANCE PROGRAM SERVICE PROVIDER LIST

This list is not an endorsement of any service provider or a warranty of their work.

We encourage you to thoroughly research your service provider before entering into a contract with them.

The following is a list of heating oil tank service providers who meet the minimum requirements to participate in the heating oil insurance program. A service provider is an independent contractor responsible for corrective action including excavation, sampling and testing, remedial actions, site restoration, and submittal of required reports to PLIA. They have agreed to comply with the terms and conditions of PLIA's Service Provider Agreement. Any contracts for work to be completed are between the service provider and you. If you have any questions, please call us at 1-800-822-3905 or 360-407-0520.
