2023 Legislation: Engrossed Substitute House Bill 1175

April 26, 2023

For the 2023 Legislative session, the Washington State Pollution Liability Insurance Agency (PLIA) proposed legislation giving the agency authorization to create and administer a state financial assurance program for petroleum underground storage tanks. Engrossed Substitute House Bill (ESHB) 1175, sponsored by Representatives Doglio, Leavitt, and Dye, was included in the Governor's budget and received stakeholder support.

PLIA is pleased to share that ESHB [1175](#) passed the House Chamber on March 16, and the Senate Chamber on April 11, 2023. On April 25, 2023, Governor Inslee signed the bill: <https://twv.org/video/governor-jay-inslee-bill-signing-2023041343/?eventID=2023041343>

PLIA will post additional information and updates regarding the bill and subsequent activities related to the development and administration of the state financial assurance program. If you would like to receive updates on the state financial assurance program, please provide your email on the [Contact Us](#) webpage or email pliamail@plia.wa.gov.
