

Applying for the Heating Oil Loan and Grant Program in the Online Community

When a new application cycle for the Heating Oil Loan and Grant Program opens, applicants will need to submit their application through PLIA's Online Community.

Before following the steps below to create a new application you will first need to create a Secure Access Washington (SAW) account to access the Online Community (if you haven't already created one). Instructions on how to create a SAW account can be found on PLIA's website at:

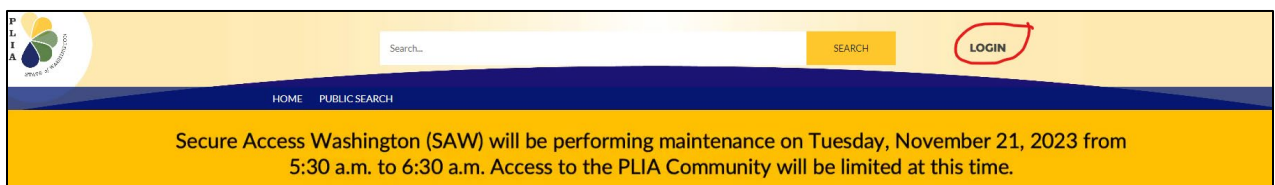

<https://plia.wa.gov/wp-content/uploads/SAW-How-to-Guide.pdf>

Step-by-step instructions for submitting an application through the Online Community are provided below:

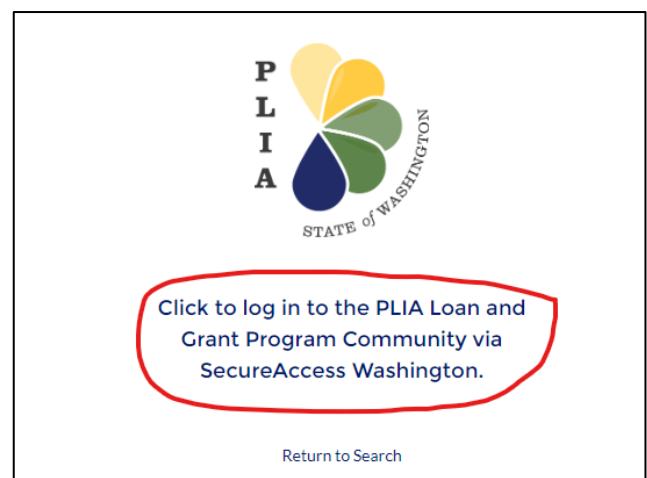

1. Once you have created your SAW account, click the [Heating Oil L&G Application link](#).

2. When you click on the Application link, it will take you to another page with a LOGIN button in the upper right corner. Select LOGIN.

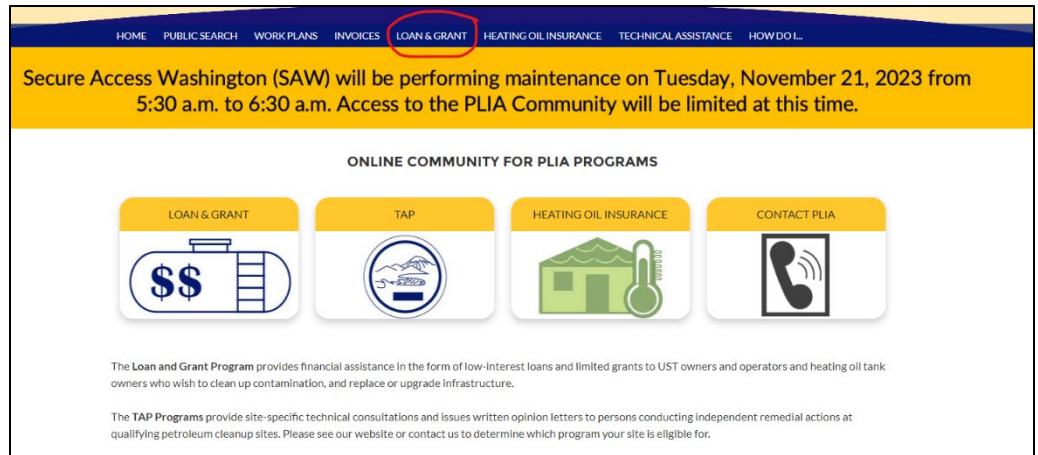

3. From there, click where it says 'Click to log in to the PLIA Loan and Grant Program Community via SecureAccess Washington.'

4. Log in using your SAW credentials. Create an account if you don't already have one. [Here is a guide on how to create a SAW account.](#)

5. Once logged in, click the Loan & Grant tab.
