## Proposed Rulemaking Listening Session

<b>WHAT:</b>	<p>The Pollution Liability Insurance Agency (PLIA) is conducting listening sessions on <a href="#">Chapter 374-70 WAC, Heating Oil Pollution Liability Insurance Program</a>.</p> <p>This rule chapter addresses PLIA’s Heating Oil Insurance Program which provides insurance coverage to currently registered heating oil tank owners. The program has been updated since its inception including changes from the 2020 Legislative Session.</p> <p>PLIA seeks the public’s feedback as we develop and edit rule language.</p>
<b>WHY:</b>	<p>The Legislature directed PLIA to end new registrations for the Heating Oil Insurance Program on July 2, 2020. Additionally, PLIA has updated the claims process and made improvements to the program administration.
